GUEST HOUSE

Designed to welcome guests in style, this guest house balances luxury and functionality in every detail.

Featuring a dining room, kitchen, and two elegant suites (one with a fireplace), it provides an exclusive lodging experience. The outdoor gallery, surrounded by nature, invites guests to enjoy the peace and beauty of the surroundings.

CARETAKER'S QUARTERS & SECURITY POST

The Caretaker's Quarters, integrated with the stables, is designed to support the estate's upkeep and smooth operations. It provides essential living space for on-site staff, ensuring they can efficiently manage the property while having a private and comfortable area to reside.

The Security Post, positioned at the entrance, serves as a checkpoint to monitor access and maintain the estate's safety. It provides a functional space for security personnel to oversee the property and ensure round-the-clock protection.

STABLES

Top-tier equestrian facilities for true polo enthusiasts. Counting with 800 m², 12 boxes 3.50x3.50 each, built with 35 cm thick walls and hardwood doors for durability. Each stall opens into a spacious inner courtyard equipped with drinking troughs and showers, ensuring a comfortable and high-quality environment for horse care.

MAIN POLO FIELD

An exceptional field for play, featuring Tifway 419 grass and spanning 280 x 155 yards with a gentle 1.5% slope for optimal drainage. Meeting the highest standards of the Argentine Polo Association, this field offers well-maintained wooden boards and a 4-5 inch sand layer, ensuring optimal playing conditions and a firm surface for high-level play.

PRACTICE FIELD

The practice field, designed specifically for training and perfecting the game, measures 280 x 64 yards and shares the Tifway 419 grass and rigorous maintenance of the main field. This field provides ideal conditions for honing skills and refining each stroke in a safe and stable environment, supporting players in developing their game to the highest standards.
